These statements are based upon estimates and forecasts and reflect the views, assumptions, expectations, and opinions of Artisan and Prenetics, which involve risks, uncertainties and other factors that may cause actual results, levels of activity, performance or achievements to be materially different from those expressed or implied by these forward-looking statements. Any such estimates, assumptions, expectations, forecasts, views or opinions, whether or not identified in this press release, should be regarded as indicative, preliminary and for illustrative purposes only and should not be relied upon as being necessarily indicative of future results. Although each of Artisan, Prenetics and PubCo believes that it has a reasonable basis for each forward-looking statement contained in this press release, each of Artisan, Prenetics and PubCo caution you that these statements are based on a combination of facts and factors currently known and projections of the future, which are inherently uncertain. You should carefully consider the foregoing factors and the other risks and uncertainties described in the "Risk Factors" section of PubCo's registration statement on Form F-4, the proxy statement/ prospectus therein, and other documents filed by Artisan or PubCo from time to time with the SEC. These filings may identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those expressed or implied in the forward-looking statements. Neither Artisan, Prenetics nor PubCo can assure you that the forward-looking statements in this press release will prove to be accurate. These forward-looking statements are subject to a number of risks and uncertainties, including the ability to complete the business combination due to the failure to satisfy other closing conditions in the business combination agreement, the occurrence of any event that could give rise to the termination of the business combination agreement, the ability to recognize the anticipated benefits of the business combination, costs related to the transaction, the impact of the global COVID-19 pandemic, the risk that the transaction disrupts current plans and operations as a result of the announcement and consummation of the transaction, the outcome of any potential litigation, government or regulatory proceedings and other risks and uncertainties, including those included under the heading "Risk Factors" in the registration statement on Form F-4 filed by PubCo with the SEC and those included under the heading "Risk Factors" in the final prospectus of Artisan dated May 13, 2021 and in its subsequent quarterly reports on Form 10-Q and other filings with the SEC. In light of the significant uncertainties in these forward-looking statements, you should not regard these statements as a representation or warranty by Artisan, Prenetics, PubCo, their respective directors, officers or employees or any other person that Artisan, Prenetics or PubCo will achieve their objectives and plans in any specified time frame, or at all. The forward-looking statements in this press release represent the views of Artisan, Prenetics and PubCo as of the date of this press release. Subsequent events and developments may cause those views to change. However, while Artisan, Prenetics and PubCo may update these forward-looking statements in the future, Artisan, Prenetics and PubCo specifically disclaim any obligation to do so, except to the extent required by applicable law. You should, therefore, not rely on these forward-looking statements as representing the views of Artisan, Prenetics or PubCo as of any date subsequent to the date of this press release. Accordingly, undue reliance should not be placed upon the forward-looking statements.

Unaudited Financial Information and Non-IFRS Financial Measures

To supplement Prenetics' consolidated financial statements prepared in accordance with International Financial Reporting Standards ("IFRS"), the Company is providing non-IFRS measure, Adjusted EBITDA. This non-IFRS financial measure is not based on any standardized methodology prescribed by IFRS and is not necessarily comparable to similarly-titled measures presented by other companies. Management believes this non-IFRS financial measure is useful to investors in evaluating the Company's ongoing operating results and trends.

Management is excluding from some or all of its non-IFRS operating results (1) Equity-settled share-based payment expenses, (2) depreciation and amortization, (3) finance income and exchange gain or loss, and (4) other discretionary items determined by management. These non-IFRS financial measures are limited in value because they exclude certain items that may have a material impact on the reported financial results. Management accounts for this limitation by analyzing results on a IFRS basis as well as a non-IFRS basis and also by providing IFRS measures in the Company's public disclosures.

In addition, other companies, including companies in the same industry, may not use the same non-IFRS measures or may calculate these metrics in a different manner than management or may use other financial measures to evaluate their performance, all of which could reduce the usefulness of these non-IFRS measures as comparative measures. Because of these limitations, the Company's non-IFRS financial measures should not be considered in isolation from, or as a substitute for, financial information prepared in accordance with IFRS. Investors are encouraged to review the non-IFRS reconciliations provided in the tables below. As noted elsewhere, certain IFRS results are preliminary and subject to change.
