LONDON and HONG KONG, Sept. 09, 2022 (GLOBE NEWSWIRE) -- Prenetics Global Limited (NASDAQ: PRE) ("Prenetics" or the "Company"), a global leader in genomic and diagnostic testing, today announced its unaudited financial results for the second quarter ended June 30, 2022.

Danny Yeung, CEO & Co-founder of Prenetics, said, "The current and next fiscal year are critical periods of transformative growth for Prenetics. With the full support of our management and board we have put into motion a sensible strategic plan which guides us in achieving our mission to decentralize healthcare. In doing so, we aim to further grow our business beyond diagnostic testing by penetrating prevention and personalized care segments.

At present, our genetics and diagnostics testing services continue to be our strongest offering. The diagnostics segment is a major contributor to our total revenues and places us into a strong position to execute on our diversification initiatives through M&A. Organically, we expanded our product pipeline through the launch of ColoClear, a non-invasive stool DNA test for the early detection of colorectal cancer and Circle SnapShot, an at-home painless blood test, two major initiatives in placing the control of health into consumers' hands while in the comfort of their homes. At a global level, we continue to be in deep discussions with various M&A targets, especially in the areas of telehealth, personalized care and specialized clinics. The synergies which we believe we can build upon are expected to provide us the tools needed to build the world's first global end-to-end healthcare ecosystem."

Second Quarter 2022 Financial and Operational Highlights

- Revenue was US\$51.7 million for the second guarter of 2022
- Loss from operations was US\$(17.9) million for the second quarter of 2022. Included in the loss were employee equity-settled share-based payment expenses of US\$13.0 million and other strategic financing, transactional expense and non-recurring expenses of US\$8.8 million
- Gross margin was 42% for the second quarter of 2022

Forward-Looking Statements

This document contains forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act that are based on beliefs and assumptions and on information currently available to Prenetics, and also contains certain financial forecasts and projections.

All statements other than statements of historical fact contained in this document, including, but not limited to, statements about Prenetics' future results of operations and financial position, plans for new product development and geographic expansion, objectives of management for future operations, projections of market opportunity and revenue growth, competitive position, and technological and market trends, are forward-looking statements. In some cases, you can identify forward-looking statements by the following words: "may," "will," "could," "would," "should," "expect," "intend," "plan," "anticipate," "believe," "estimate," "predict," "project," "potential," "continue," "ongoing," "target," "seek" or the negative or plural of these words, or other similar expressions that are predictions or indicate future events or prospects, although not all forward-looking statements contain these words. These statements are based upon estimates and forecasts and reflect the views, assumptions, expectations, and opinions of Prenetics, which involve inherent risks, uncertainties and other factors that may cause actual results, levels of activity, performance or achievements to be materially different from those expressed or implied by these forward-looking statements. Any such estimates, assumptions, expectations, forecasts, views or opinions, whether or not identified in this document, should be regarded as indicative, preliminary and for illustrative purposes only and should not be relied upon as being necessarily indicative of future results. A number of risks and uncertainties could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to: changes in applicable laws or regulations applicable to Prenetics; developments related to the COVID-19 pandemic; the regulatory environment and changes in laws, regulations or policies in which Prenetics operate; Prenetics' ability to successfully compete in highly competitive industries and markets; Prenetics' ability to continue to adjust its offerings to meet market demand: Prenetics' ability to attract customers to choose its products and services and grow its ecosystem; political instability in the jurisdictions in which Prenetics operates; the overall economic environment and general market and economic conditions in the jurisdiction in which Prenetics operates; and Prenetics' ability to execute its strategies, manage growth and maintain its corporate culture as it grows. In addition to the foregoing factors, you should also carefully consider the other risks and uncertainties included in Prenetics' filings with the U.S. Securities and Exchange Commission (the "SEC") from time to time.

Forward-looking statements speak only as of the date they are made. Prenetics does not undertake any obligation to update any forward-looking statement, whether as a result of new information, future developments, or otherwise, except as required under applicable law.

Basis of Presentation

Unaudited Financial Information and Non-IFRS Financial Measures has been provided in the financial statements tables included at the end of this press release. An explanation of these measures is also included below under the heading "Unaudited Financial Information and Non-IFRS Financial Measures."

Unaudited Financial Information and Non-IFRS Financial Measures

To supplement Prenetics' consolidated financial statements prepared in accordance with International Financial Reporting Standards ("IFRS"), the Company is providing non-IFRS measures, Adjusted EBITDA, adjusted gross profit and adjusted profit for the period. These non-IFRS financial measures are not based on any standardized methodology prescribed by IFRS and are not necessarily comparable to similarly-titled measures presented by other companies. Management believes these non-IFRS financial measures are useful to investors in evaluating the Company's ongoing operating results and trends.

Management is excluding from some or all of its non-IFRS operating results (1) Equity-settled share-based payment expenses, (2) depreciation and amortization, (3) finance income and exchange gain or loss, and (4) other discretionary items determined by management. These non-IFRS financial measures are limited in value because they exclude certain items that may have a material impact on the reported financial results. Management accounts for this limitation by analyzing results on an IFRS basis as well as a non-IFRS basis and also by providing IFRS measures in the Company's public disclosures.

In addition, other companies, including companies in the same industry, may not use the same non-IFRS measures or may calculate these metrics in a different manner than management or may use other financial measures to evaluate their performance, all of which could reduce the usefulness of these non-IFRS measures as comparative measures. Because of these limitations, the Company's non-IFRS financial measures should not be considered in isolation from, or as a substitute for, financial information prepared in accordance with IFRS. Investors are encouraged to review the non-IFRS reconciliations provided in the tables captioned "Reconciliation of Loss from Operations under IFRS and Adjusted EBITDA (Non-IFRS)", "Reconciliation of Gross Profit under IFRS and Adjusted Gross Profit (Non-IFRS)" and "Reconciliation of Loss attributable to equity shareholders of Prenetics under IFRS and Adjusted Profit for the period (Non-IFRS)" set forth at the end of this document.

¹ Adjusted EBITDA (non-IFRS) represents (loss)/profit from operations under IFRS before equity-settled share-based payment expenses, depreciation and amortization, other strategic financing, transactional expense and non-operating recurring expense, and finance income, exchange gain or loss. See the section titled "Unaudited Financial Information and Non-IFRS Financial Measures" and the table captioned "Reconciliation of (Loss)/Profit from Operations under IFRS and Adjusted EBITDA (Non-IFRS)" for more details.

² The acquisition of the net assets of Artisan Acquisition Corp. ("Artisan") on May 18, 2022 does not meet the definition of a business under IFRS and has therefore been accounted for as a share-based payment. The excess of fair value of Prenetics shares issued over the fair value of Artisan's identifiable net assets acquired represents compensation for the service of a stock exchange listing for its shares and is expensed as incurred.
