### About Prenetics

Prenetics (NASDAQ: PRE) is a leading health sciences company redefining the future of health and longevity through IM8 — its flagship consumer brand co-founded with David Beckham and championed by World No. 1 and four-time Grand Slam winner Aryna Sabalenka — now the fastest-growing supplement brand globally, reaching \$100 million in annual recurring revenue within just 11 months of launch — the fastest growth ever recorded in the global history of the supplements industry, even outpacing today's leading AI startups.

As the first consumer health company to establish a Bitcoin Treasury, Prenetics continues to pioneer at the intersection of health innovation and digital assets — purchasing 1 Bitcoin per day, now totaling 382 BTC as of November 4, 2025.
